54-40 BEER

We make easy drinking beers that bring folks together. Our proper German-style beers and NW ales are crafted to comfort people around their shared activities and we couldn't be happier to have a spot at the table.

DOOMSDAY BREWING

At Doomsday Brewing, our passion is not just about creating great craft beer for customers, we want to change the perception of what beer is. Our goal is to show people what real beer tastes like.

TRAP DOOR BREWING

When Hazy beers were joked about, Trap Door was on the bleeding edge. That's the edge we intend to remain on while delivering well-attenuated traditional styles in our own hopped-up way.

RECLUSE BREW WORKS

Recluse Brew Works is a small production brewery creating humble beer that focuses on quality ingredients and the people who produce it. Cheers to the late night tinkerers, the dwellers in the cellar, the recluse in all of us.
